Please answer each of the questions below, if applicable. Missing or incomplete information may delay approval and/or implementation of the proposed changes.

2.0 Rationale for Changes

2.01 Provide a brief description of the reasons for the proposed changes.

The UWO MTP Collaborative students complete their general education courses at the UWO campus. Fanshawe is then provided with the student grades upon completion which we then enter on the student's Fanshawe College academic record to meet the program degree audit and the MTCU Policy Framework regarding General Education requirements.

University of Western Ontario changed the name of the one general education course from 'The Matter of Technology' to 'The Meaning of Technology' therefore we were required to change the course name and number at Fanshawe as well for accuracy of the student's academic record.

2.02 Students

- Are changes a response to student feedback? Or our Programs Data Report - Weak Factors? (summarize how changes address this issue)
- How will changes affect student learning and success? (describe evidence to support this)

- How will changes affect cost of the program for students? (e.g., materials fees; equipment fees - laptop program; OSAP implications)
- How will changes affect the flow of the program?

2.03 Relationship of Program to Industry

- How do changes reflect trends in the field or in industry? (Provide data regarding industry and/or professional trends.)

2.04 Program Learning Outcomes

- How do the changes align with Ministry outcomes? (Provide a copy of the completed program map indicating gaps/overlaps that are being corrected)

2.05 Relationships with Other Fanshawe College Programs

- Is this course in a ladder program or part of any other Fanshawe College program?

2.06 Relations with Other Post-Secondary Programs

- How will the changes affect transfer agreements with other post-secondary institutions?
- What discussions have been initiated with these institutions regarding the changes?

2.07 Changes on Fit of Program with general College Requirements for Programs
